## **PROFILE | CAREER OBJECTIVE**

Aspiring software engineer currently studying Software Design for AI and Cloud Computing at TUS: Athlone, eager to launch a career in the technology sector. Passionate about leveraging innovative solutions and creativity to drive advancements in technology, I am dedicated to contributing to a forward-thinking company.

## **EDUCATION**

September 2022 - Present    BEng (Hons) Software Design for Ai & Cloud Computing, TUS: Athlone

Core Modules:

- Software Development for Cloud (Python)
- Server-side Web Development (Java, Springboot)
- Web Development (HTML, CSS, JS, PHP)
- Mobile App Development (Java)
- Databases (MySQL)
- Agile Methodologies

Key Achievements: On track to receive a 2.1 Hons degree

## **RELEVANT WORK EXPERIENCE**

2020 – Present              Developer | OogwayDev, Laois

- Created websites and bots for clients on Discord
- Communicated with customer regularly to understand their requirements
- Maintained projects regularly fixing bugs or adding new information on request

June 2022 – September 2022              Developer | Tour America, Dublin

- Converted old SOAP API to a JavaScript API which searched for holiday packages
- Tested my code by making requests through Postman
- Attended weekly meetings to show work I completed and work I plan to do
- Reduced the time it took to return search results by implementing a JS API

## **OTHER WORK EXPERIENCE**

June 2024 – September 2024      Labourer | Michael Buggy, Laois

- Prepared a house for renovation
- Met requirements for inspection, fixing, painting and plumbing
- Used my own initiative when starting new works as to make the best use of my time

May 2023 – August 2023      Farm Worker | Pat Cantwell, Kilkenny

- Operated farm machinery both on road and in fields
- Cared for and milked roughly 100 cows and two herds of calves daily

## **SKILLS PROFILE**

Communication: Strong communication skills developed through collaborative teamwork.

Technical aptitude: Strong technical aptitude developed through university

Time Management: Proven ability to manage time effectively, balancing multiple tasks and deadlines efficiently.

Patience: Demonstrated an ability to remain calm and focused in challenging or high-pressure situations.

## **ACHIEVEMENTS**

- Received the bronze Gaisce medal
- Received multiple county and provincial medals in both GAA and Basketball
- On the committee which plan and run the Rosenallis Festival of the Mountain
- Actively volunteered in the OSPCA, LSPCA and the Syrian Refugee aid
- Won best Mini Company in the county award for my company WoodU.
- Received the Junior Scuba Diver certification

## **INTERESTS | HOBBIES**

GAA Football: Played with Mountmellick and The Rock football teams. Won multiple league medals and shields during my time playing.

Basketball: Played with both Mountmellick CS and Portarlinton Kestrels. Received multiple Basketball Ireland medals.

Water Sports: Love swimming, kayaking, cliff jumping and scuba diving. I have travelled Ireland and gotten to do many of these things in different lakes and bays around.
